

CAN YOU IDENTIFY THESE?

While cleaning out the house this summer, during the remodeling, we came upon the above picture. Our guess is that it dates back to 1950. We are interested in knowing who the Brothers are and how old the picture is.

SPRING OFFICERS SELECTED

Gamma Phi continues its excellence of leadership with the election of Spring Officers.

Brother John Kirton, '66, was elected President. John has been very active in campus activities and we are all expecting great accomplishments from him in his newly elected position.

Brother Mike Smith, '66, was elected Vice-President. Brother Jerry Robertson, '66, was re-elected Social Chairman after completing a highly successful semester.

Brother Steve Garner, '66, was elected House Manager and Brother Phil Adamson, '66, was re-elected Treasurer.

Your Alumni Secretary remains Arthur Thompson, '66. Please help him out by reporting changes of address, names of missing Alumni, etc.

Brother John Kirton, President of ODK, announced the election of four Betas to Omicron Delta Kappa, an honorary leadership fraternity. Brothers Eric Feaver, Jerry Hassebroek, Bill Weinich and Arthur Thompson were elected this year. Brother Mike Ritz was elected to the organization last year.

The 1965-66 Who's Who in American Colleges and Universities, selected by a pannel of faculty and students, listed Brothers John Kirton, '66, and Arthur Thompson, '66, among the forty students selected from O.U.

University of Oklahoma. The selections are based upon scholarship, leadership, religious activities, and campus activities. As usual, the Betas continued their domination of this honor.

BETA AND SPORTS

INTRAMURALS

After one semester of intramurals, the Betas are sitting in second place. Most of the major sports are still to be played, or are in competition at this time.

Top Four

| | |
|-----------|---------|
| Sigma Chi |20 |
| BETA |18 |
| Phi Delt |13 |
| Sig Alph |11 |

Right now Beta has six teams playing basketball with good prospects that we will pick up some points in his sport.

Volleyball, softball, swimming, and track, all strong Beta sports, are left in intramural competition.

The men of Gamma Phi ran into a little hard luck in both "A" and "B" football. Both teams were undefeated going into the semi-finals but had to settle for third place in the competition.

Mark Van Aken took a first place in "A" Flight golf continuing the chapter's reputation in this sport.

Jay Tier, Gamma Lambda law student, teamed up with our intramural chairman, John Lynn, to bring home a first place trophy in badminton doubles. Jay Tier brought further points to the house by taking a second place in badminton singles.

VARSITY

In varsity football, Gamma Phi can claim two outstanding athletes . . . Sophomore halfback Ron Shotts and sophomore lineman Joe Postlick.

Shotts is considered a genuine triple-threat back—a hard hitting runner with good speed, a fine pass receiver, and a place kicker.

Joe Postlick is a fine lineman, starting in every game this year. Joe missed the Ug award, given to the outstanding defensive player, in the Texas game by one tackle to Carl McAdams.

We expect to see great accomplishments from each of these men next year.

In Wrestling, just underway, both Bill Lam and Gregg Ruth have unbeaten and untied records. Ruth was last years NCAA 167 pound champion and was voted outstanding wrestler by the coaches. Lam was runner up to the NCAA 157 pound champion last year and was champion of the Big Eight Tournament.

**"My Beta days can I forget?
To this I answer, never.
Her ties once formed shall never break;
For they endure forever."**

13 December 1931

SENIOR DINNER — One of the most colorful events ever held in the house. All the graduating Seniors rassed with the turkeys but managed to carve plenty for all. There was a nice little social gathering in the sun-room after the dinner and everybody danced with the senior's dates.

14 December 1931

Hash! Several of the boys have declared the Christmas holidays on and are going to take it easier until next year.

15 December 1931

The house was alive all night with cries of "The Kappa Sigs are here". Then everyone would rush downstairs armed with ball bats, etc, in an attempt to protect our Christmas. Bros. Calvert and Buchanan got a little over-enthusiastic and chased the invaders. The result was bad because they caught Clavert and threatened him with everything. The basketball game with the Delta Chis was our fifth victory. The score was about 25-6.

17 December 1931

Everyone planning for the holidays. A few of the Boys left today. No Sleep tonight, the usual horn-toters and hollers will be out. Christmas party tonight.

18 December 1931

Everybody gone home by 4:30 or 5. Some of the Frosh even cut classes. Merry Christmas and a Happy New Year. Closed until 1932.

3 January 1932

Everybody back but "Pal" Radcliffe and "Wah Do" Brooks. Even Billy Key appeared for a while. Report is out that Bro. Buchanan really romped with the blond Theta from Miami during the vacation (anybody can romp), and Bro. Hurt had to pay for board and room at Snedden's.

6 January 1932

It is rumored that "Delicious" Updike has a "dash of lavender" or a "touch of sugar." He has the mopes so bad that he can think of nothing but romance. Some of the more ultra-ultra boys are having a phone installed in their rooms.

7 January 1932

Bro Hurt slept through his classes again today. Bros. Fleming and Buchanan are added to the "dash of lavender" list. "The Dean" is a good call boy, but he got kicked in the chin for being a bit to enthusiastic.

8 January 1932

The Frosh decorated the Tee Pee and otherwise prepared for the dance tomorrow night. The exclusive fellas with the phone have threatened violence upon anyone caught using it without first depositing a nickle on the table. Weather fair—Meals, oh well.

9 January 1932

The more vain boys were trying on their costumes all day and Bro Ford was dressed, dr-k, and ready to go by two. The box supper was the usual brawl. The boys were mad and the girls insulted. Pie was the favorite ammunition. Brother Calvert can't remember but thinks he got hit with with a bale of hay. Bros. Grimes and Fleming got under way a little too soon and had that morning after feeling at the dance.

10 January 1932

We had a few dates over for dinner and talked over the Manchurian dispute. Bro. Fleming started the songs and they were - - - - . Percy Main is still receiving congratulations on his splendid work against Kansas and he certainly deserves them.
