NORMAN, OK

FALL 1990

The Senior pledge class as they appeared on Bid Day, 1987.

OUT WITH THE OLD . . . **Senior Dinner Provides Opportunity to** **Remember the Past and Look toward the future**

On December 1, the senior pledge class will celebrate their three and a half years together with the annual senior dinner. This black tie affair will involve laughs and tears, but will most of all allow the 33 members of the senior pledge class to relive some of our past exploits and confirm the strong friendships which have developed and will continue among all of us even after we step into the "real world." We would like to take this opportunity to introduce ourselves to you as we prepare to leave these halls of fraternal friendship.

Kris Akey, Norman

— plans to graduate with a degree in Accounting and intends to enter the business world.

Betas Receive Individual, Chapter Awards

At the 1990 Beta National Convention in Palm Springs, California, the Gamma Phi Chapter of Beta Theta Pi was proud to receive the Sisson Award, recognizing Gamma Phi as one of the top chapters in the nation. Any chapter wishing to receive this award must fulfill an extensive list of requirements, and the membership made it a goal for the past year to excel in all of these categories. This award recognizes Gamma Phi's excellence in scholarship, leadership, and alumni support. The actives would like to thank the alumni whose association with Gamma Phi helped to build a strong foundation without which the realization of this goal would have never been possible.

Beta's excelled on an individual basis as well. Gene Frieda, Duncan Senior, was named Outstanding Senior Man, making this the second straight year that a Beta has captured this honor. Furthermore, Gene was nominated for Homecoming King. In addition, Chris Williams, Mustang Junior, is currently serving as the Vice-Chairman of Student Congress while Craig Troyer, Oklahoma City Senior, serves as Chairman of one of that Body's most influential committees. Finally, pledge David Kendrick, Duncan Freshman, has already made a name for himself as President of Jr. IFC. It is the accomplishments of brothers such as these which make it possible for the chapter to excel in the larger goals we set for ourselves.

Corporation Meeting and Donor Dinner Scheduled

The next meeting of the Beta Theta Pi Housing Corporation will be held at the Beta house prior to the OU/Nebraska football game on Friday, November 23. In addition, the annual Donor Dinner will be held that evening at the Beta house. For information, contact Fallis Beall.

This past weekend we celebrated the annual Beta Barndance.

... AND IN WITH THE NEW Betas Sign Another Outstanding Pledge Class

The following is the Beta pledge class of 1990. Each of the individual gentlemen is outstanding in his own right, and together they compose the finest group of pledges on the University of Oklahoma campus. We'd like to thank all of the alumni who took the time to send us recommendations and hopefully you will see some names which are familiar.
