Beta Theta Pi

Beta Theta Pi was founded at Miami University in 1839. The chapter which was placed on this campus in 1909 owns a home about four blocks from the university on DeBarr Street.

Lee Thompson was president of the student council during the first of the year. John Pearson is junior class representative to the council since the mid-year elections. Pearson was also athletic manager of the football team the past season.

Lealon Lamb was captain of the track team last spring. Harry Kniseley was elected editor of the *Whirlwind* the first of the year.

The Betas plan to build a new home in the near future.
