 BERT SMITH, JR., Ft. Worth, Texas

*Pledge

SOONER 1929

Beta Theta Pi

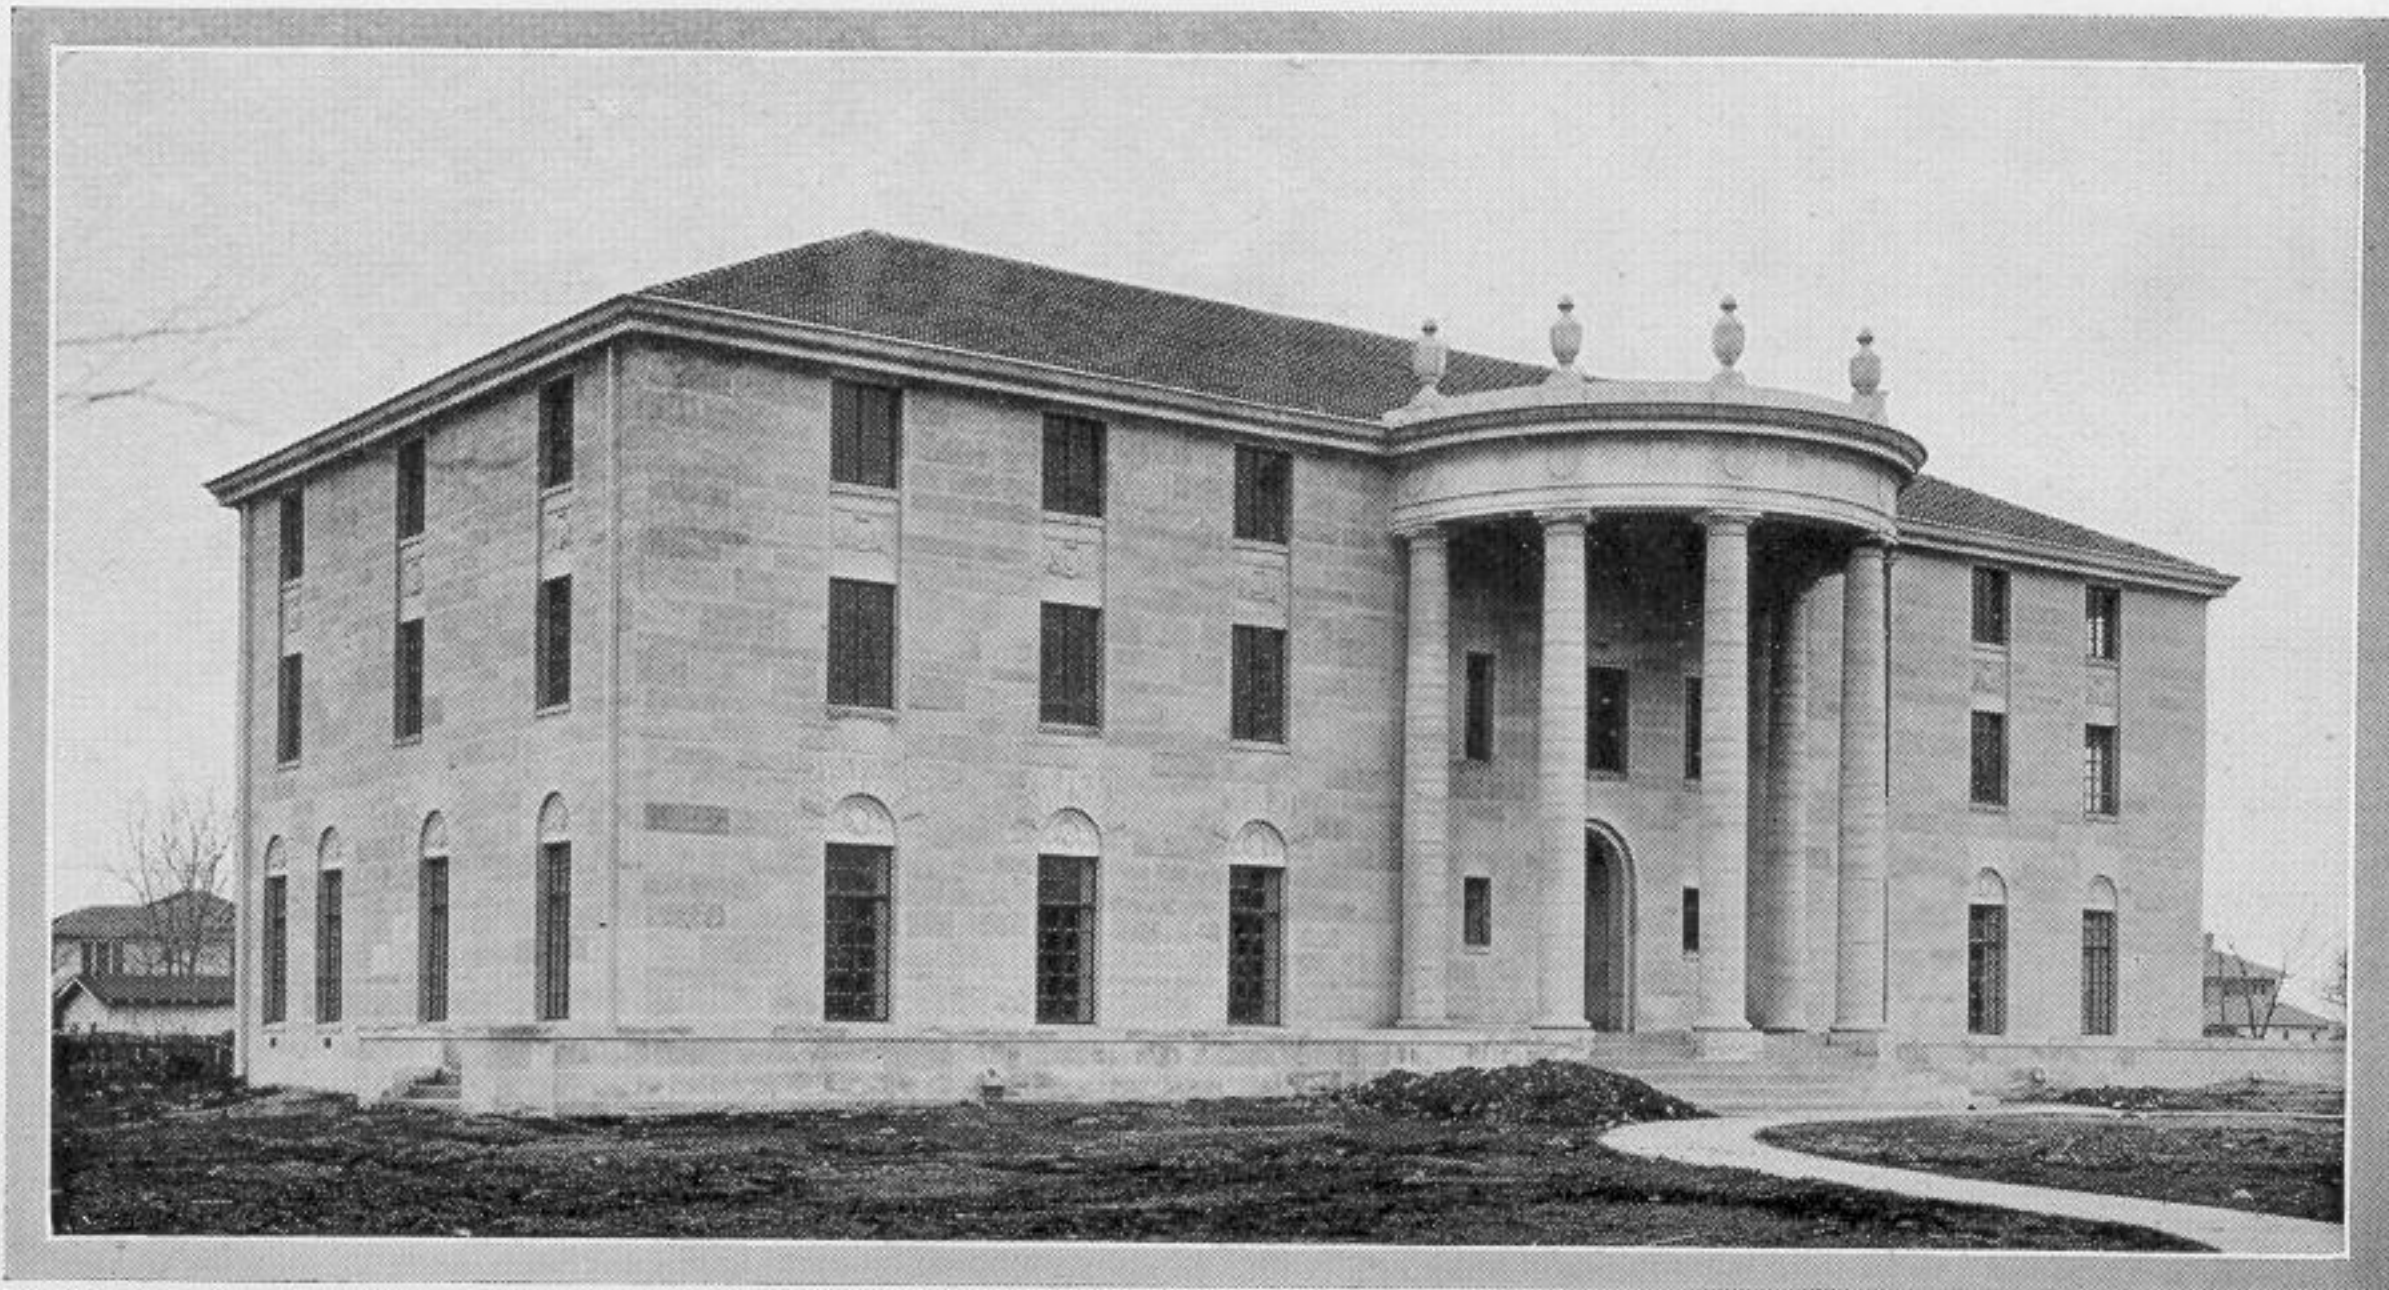

Beta Theta Pi was the first of the three fraternities founded at Miami University, in 1839 which form the Miami Triad, to be established on this campus, coming here in 1907.

John Pearson has a long list of activities; he has been winner of the Letzeiser medal, president of Pe-et, president of the interfraternity Council, business manager of the SOONER; has served two terms on the student council, is manager of the football team, on the publication board, and is a member of Ruf-Neks.

Beta is further represented in activities by Ed Starkey, who is a member of Battle Axe, Tri Chi, Ruf-Neks, was on the varsity baseball team, and has had part in a number of Stunt Nite and Soonerland Follies productions; and Bill Noble, who has played basketball for two years, and is a member of Ruf-Neks, Tri Chi and interfraternity council.

This year the fraternity moved into a new home on Chautauqua Street.
