MRS. MAE MILLER
Hostess

Mrs. Mae Miller, Beta Theta Pi fraternity hostess, has been with the chapter for twelve years. She spends her summer vacations in Oklahoma City.

She is said to know more Beta boys than anyone else in the United States. She always knits a jacket for the first baby of any of "her boys."

She always contends that the latest pledge class is the best, and has numerous friends over the state.

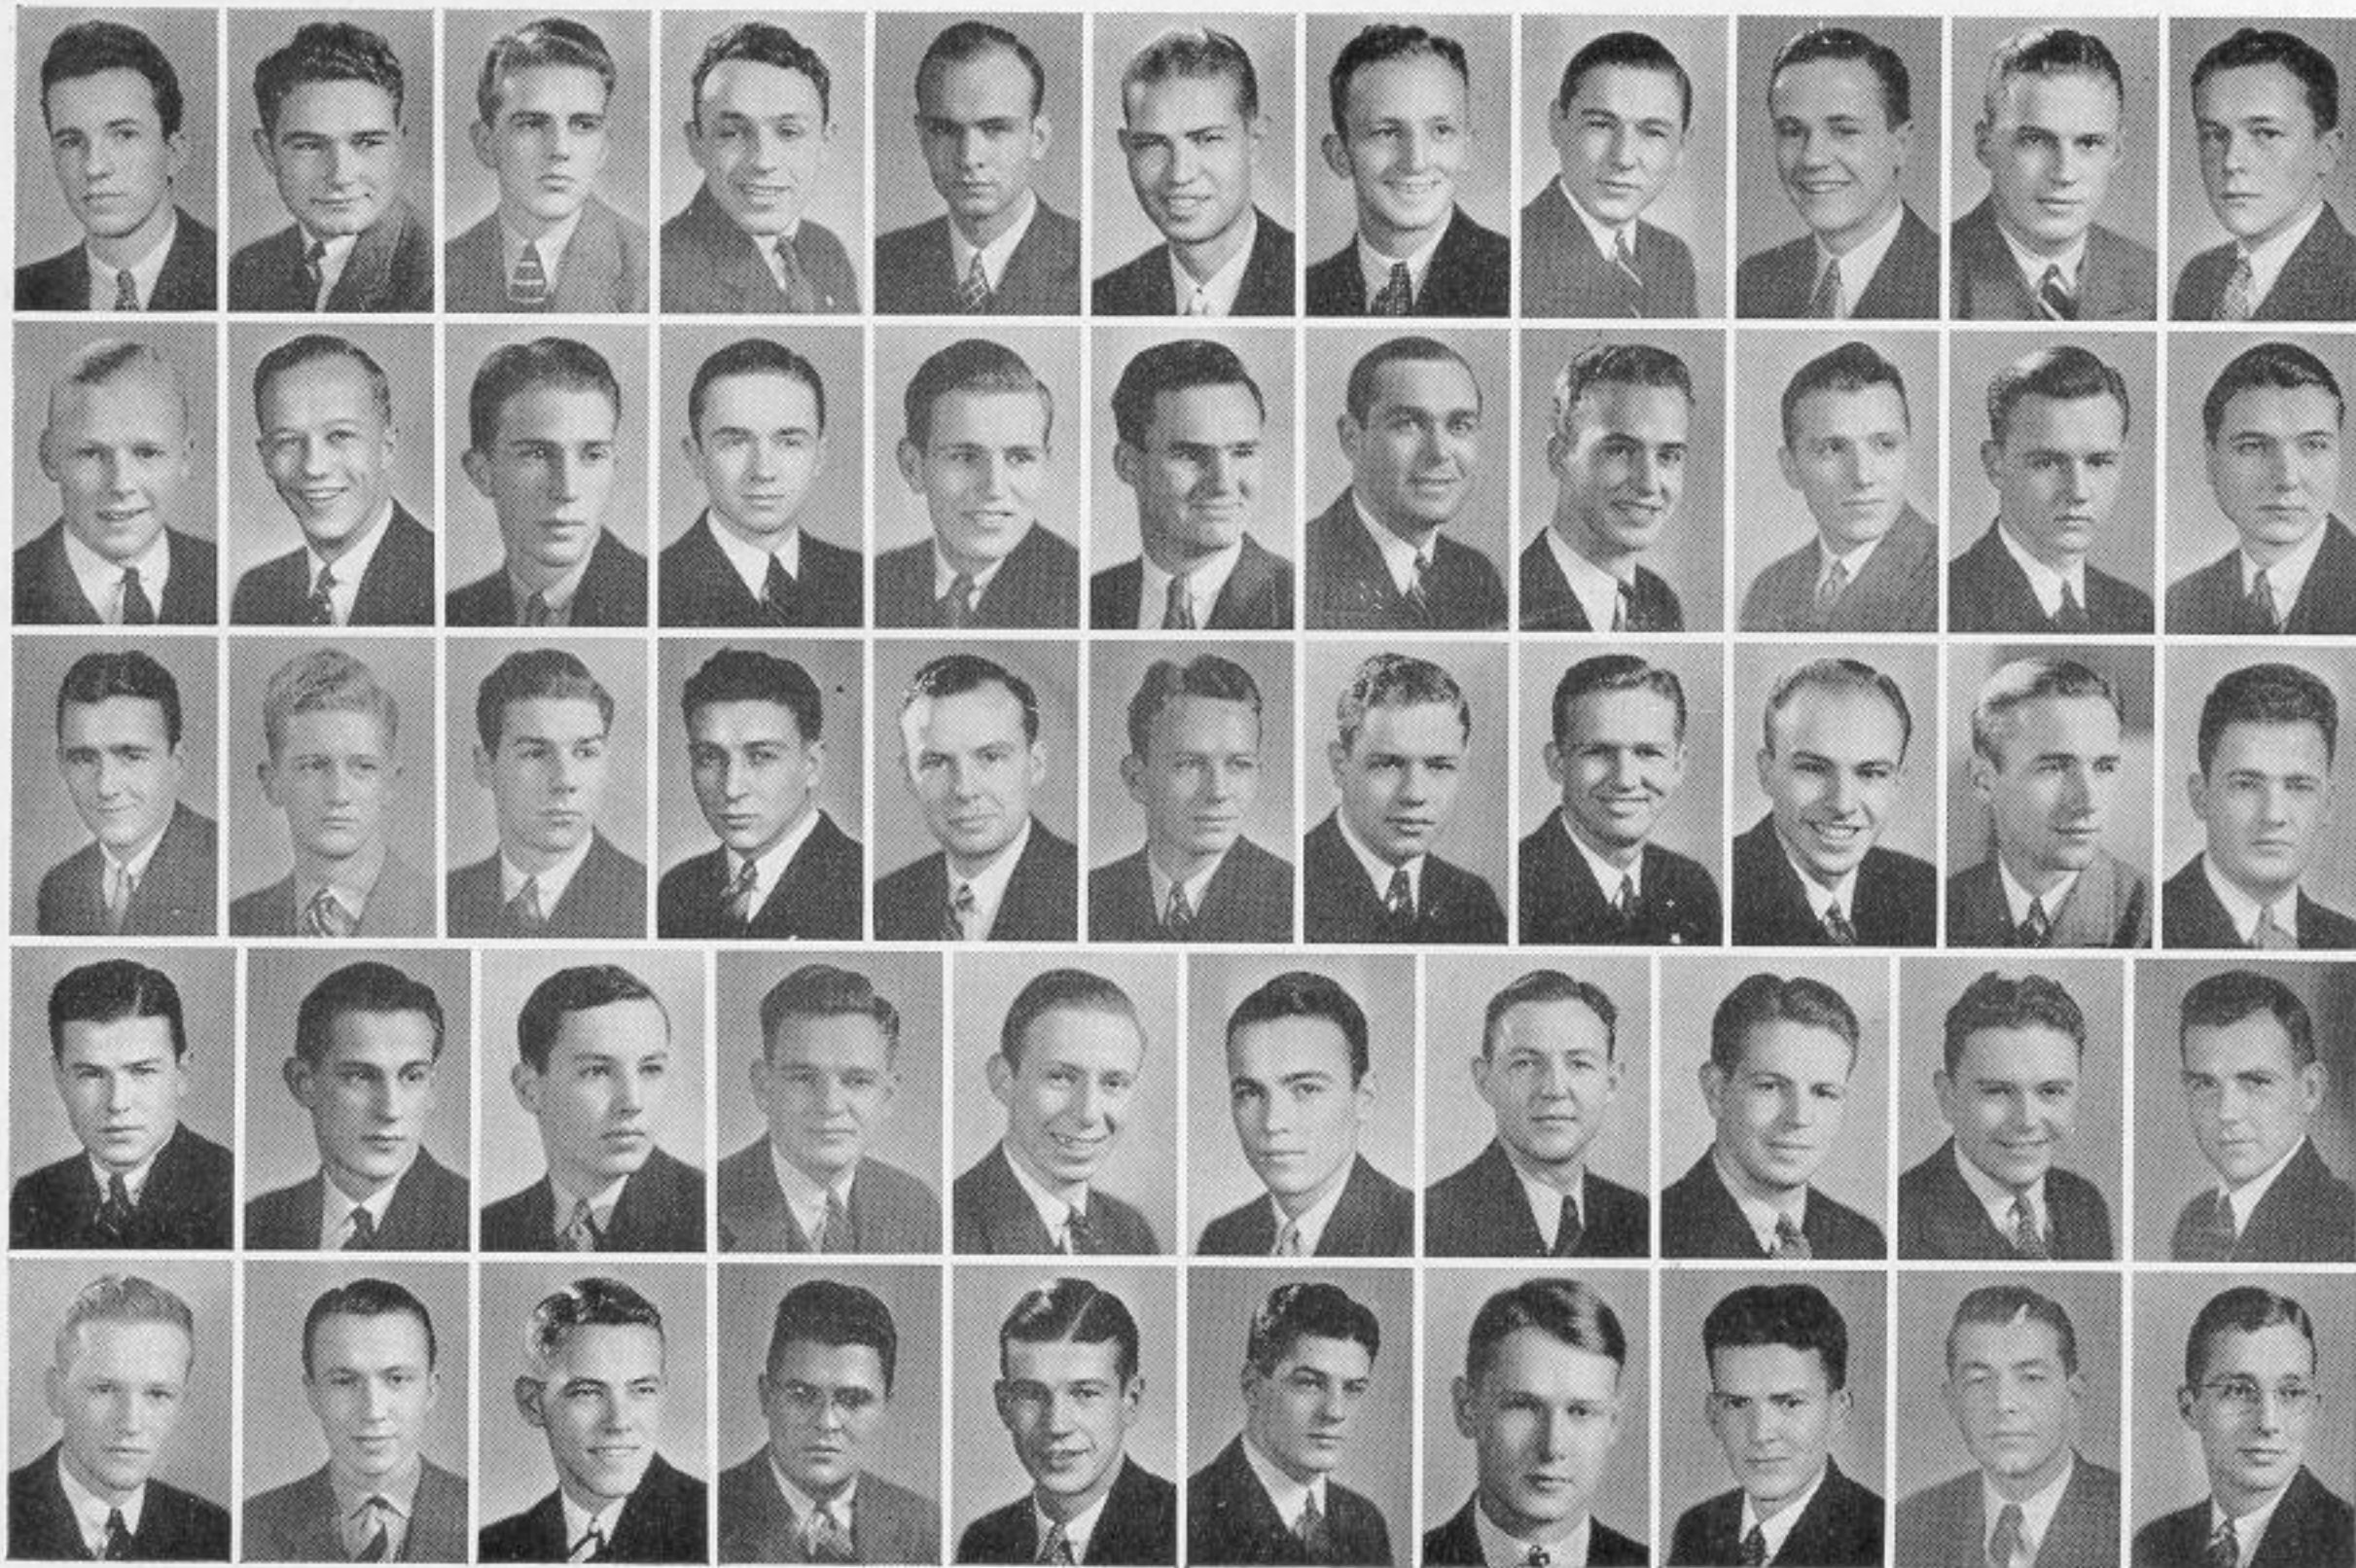

BETA THETA PI

Beta Theta Pi was founded at Miami University at Oxford, Ohio, its first formal meeting being held August 8, 1839. The moving spirit of the fraternity was John Reily Knox, '39, now designated within the fraternity as "Pata" Knox. At present there are 87 active chapters with a membership totaling 39,772. Prominent national alumni include: Justice Willis Van Devanter of the U. S. Supreme Court, U. S. Senators William E. Borah and Robert La Follette, Speaker Joseph W. Byrns, and Bertrand H. Snell, Republican floor leader in the House.
