

# Beta Theta Pi

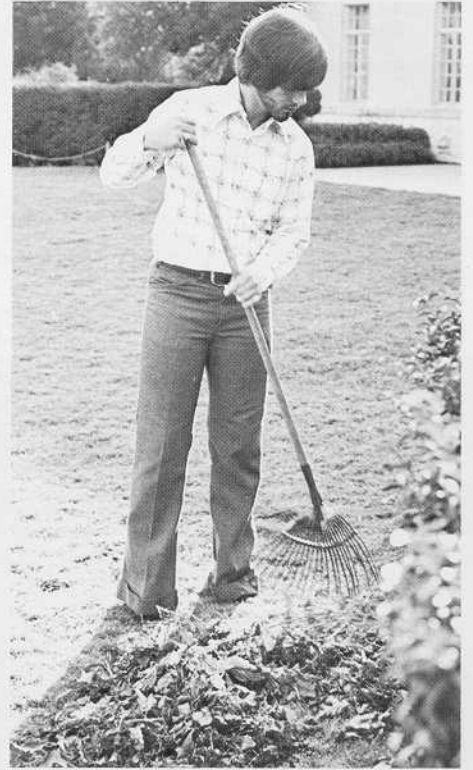

Scholarship and intramurals were the major objectives of the men of Beta Theta Pi. For the fourth consecutive semester, the Betas achieved over a 3.0 house grade average. They also continued their pursuit of the campus intramural trophy.

Betas still found time to maintain an active social calendar. The year started with the traditional Victory Party followed by a joint party with the SAEs during Dallas week-end. The highlight of the social year was the 50-year-old Beta Barn Dance.

Grades, activities, intramurals, and parties—these bound a fraternity into a brotherhood.
