

Betas Enjoy Intramurals

The men of Gamma Phi Chapter of Beta Theta Pi are particularly proud of its past record of scholastic achievements. This superiority is exemplified by the house being awarded the I.F.C. Scholastic Trophy thirteen times out of the past sixteen years. The Beta house is looking forward to once again retaining the I.F.C. Intramural Trophy by excellent individual and group participation in every event due to the excellent organization and leadership by our intramural chairman, Brian Geister. The Betas are proud of our fine intramural record throughout the past years, showing that we have won the trophy twelve times out of the past sixteen years. The past year was highlighted by many social events beginning with our Victory Party in September. A tradition almost as old as Gamma Phi itself, and the oldest party on campus can only mean "Barn Dance" with its annual "Farmer's Daughter Contest" which occurred in late November. Our spring party, "Swamp Stomp" was used to begin our summer rush, with none of the social events being possible without our social chairman, Dan Jordan.

ENJOYING THE BETA CASINO PARTY are Mark Massad and his father Dr. Woodrow Massad. THE BETA FRATERNITY HOUSE.

THE BETA BARN DANCE is enjoyed by Vickie Tolson, Randy Schwabb, Rick Cape, and Lisa Goholston.
